We support people to find their possible

Fun, friendship, learning and independence is what we're all about at Cara. Our goal is to bring joy, purpose and a sense of belonging to our clients' lives.

Specialising in providing disability services for adults with severe and multiple disability, we are a registered NDIS provider and experts in supporting people with complex needs.

We are a not-for-profit organisation registered with the Australian Charities and Not-For-Profit Commission, or as we like to call it, 'profit-for-purpose' because all of our 'profit' goes back into supporting people with disability.

We are proud to deliver person-centred active support. This means we get to know you as an individual, your likes and dislikes, how you like to be supported and what your goals and dreams are, both big and small.

Our services

We understand the importance of having a welcoming and safe home and are leaders in providing supported accommodation to people with disability. That may be in-home support, short or medium term accommodation or supported independent living.
