Meet your housemates

We are two women and one man aged in our 40s to 60s who enjoy listening to music, watching TV and going out into the community - bowling, library, cinema, dining out.

We require complex health, mobility and communication support. We are respectful of each other's personal space, prefer female support staff and are **looking for a male housemate** aged in their 40s to 60s, to share our supports.
