

...in the Community

Expo season 2026 is well underway, Cara has been proud to be out in the community strengthening connections across both metropolitan and regional South Australia. Our teams have taken part in a range of valuable disability, community and employment expos, sharing information, answering questions and building meaningful relationships.

Our Intake Team has enjoyed connecting with participants, families and sector partners at events including the

- Disability Event Community (DEC) West Adelaide Community Disability Expo
- Source Disability Expo at the Adelaide Convention Centre
- Disability, Ageing and Lifestyle (DAL) Expo Mt Gambier at the Wulanda Recreation & Convention Centre.

Cara's Recruitment Team has been actively engaging with job seekers at employment-focused events, including the **Western Adelaide Jobs Expo at the Adelaide Entertainment Centre**. These opportunities allowed the team to promote career pathways at Cara and share what makes working within our organisation both rewarding and meaningful.

Together, these events have helped:

- Increase visibility
- Support recruitment efforts
- Strengthen Cara's relationships within the communities we serve.

As always, it's a privilege to be out in the community, seeing familiar faces, meeting new ones and working towards more inclusive, connected communities.
