

The Aussie Boys

At Cara's Port Augusta Short-Term Respite (STR), a group of talented and creative clients, affectionately known as *The Aussie Boys*, have been bringing their ideas to life in inspiring ways.

From Anzac Day and Valentine's Day to Mother's Day and personal birthday celebrations, the boys are always finding new opportunities to express themselves through creative projects.

Supported by Cara staff, these meaningful activities have seen the space transform into vibrant, themed displays, each reflecting their unique interests, personalities and perspectives.

What began as themed walls and creative expression has grown into something even more special, personalised books titled "*The Aussie Boys*." Throughout the year, each client contributes to their own book, capturing their artwork, achievements and moments of creativity.

At the end of the year, each client receives their completed book to share with family and friends, celebrating not only their creativity, but their individuality and participation.

It's a wonderful reflection of what's possible when creativity, connection and support come together.

These images show a unique look inside their book.
